### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or suggest a tool consisting of two mold parts moveable relative to each other and together constitute two groups of parallel mold cavities; the tool having a rotatable carrier arm mounted for rotation about an axis; all of the mold cavities of the first group being arranged on a first side of the rotatable carrier arm and all of the mold cavities of the second group being arranged on a second side of the carrier arm opposite to the first side; the mold cavities in each group being respectively arranged parallel to each other and so as to have an identical orientation; the mold cavities of the first group being arranged so as to have an opposite orientation with respect to the mold cavities of the second group; first and second groups of mold cavities having at least two subgroups of mold cavities; and the mold cavities of the second group being arranged so as to be an exclusive image of the mold cavities of the first group according to a single point reflection with respect to the center of rotation, the mold cavities of the second group being non-symmetric to the mold cavities of the first group according to a single mirror reflection with respect to any line in the plane of rotation running through the center of rotation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
